Dear The Lounge,

This is the first Christmas that my boyfriend and I had spent together. I was a little sad about not going home to my parents, but Jake and I spent Christmas 2017 apart, and I spent

most of the time missing him, especially at night!

Besides, this year, Jake, who is a student, landed a job playing Santa at the department store where I work, meaning we would both be working until late most evenings, but working (very nearly) together.

The perfume counter where I work is on the same floor as Santa's grotto, so I'm able to watch him during the day. After the first day or two I began to fantasise about having sex with Santa. It sounds daft, but Jake still manages to look fit in his scarlet suit, despite the padding and the beard. And he's fun to watch too, because the kids really believe he's the real deal.

Jake always seemed to be continually hot for me too, because whenever we were on a break together his hands would wander all over the backs of my legs and under my skirt. And even though

we were rarely alone, one way or another he never missed an opportunity to feel me up. Not that I minded! I'm seldom the good girl I pretend to be, and Jake's fingers can work magic when they find their way inside my panties.

Christmas is always hectic, but this one evening I was especially glad when the

“I felt myself stiffen as a gush of pussy juice rushed to my inflamed cunt...”

Tannoy announced that the store would be closing in 15 minutes. Santa and I were aiming to disappear inside the little hut behind the grotto wall for a little bit of Christmas fun.

The others had planned to have a few

Christmas drinks in the staff canteen before leaving so we were pretty sure we wouldn't be disturbed. The other girls had already rushed off to the toilets to tart themselves up, so no-one missed me as I made my way across

the floor for my own private party with Santa.

Jake still had his beard on when I sneaked inside the hut. “Come here, little girl,” he said, pulling me gently towards him by the arm, “and tell me what you want for Christmas.”

Blushing and giggling, I sat on his lap and he put his arms around me, brushing his hands across my breasts and making my nipples tingle. My breasts heaved as I became really excited and my tits strained in my bra cups as Jake opened my white blouse. They moved up and down and my hard, deep pink nipples showed through the cups of my flimsy white

lace bra.

Jake muttered, “Ho, ho, ho,” and all the usual as I unclasped the back of my bra, allowing my boobs to hang free. Then, getting into full Santa mode, he repeated his question. What would I like for Christmas? I wriggled my arse against his growing erection. “Well, Santa,” I said

teasingly in my girliest voice, “what I'd really like is to be fucked hard by a big man in a red suit.”

I thought he was going to choke with laughter as I delivered the line. He was still chortling while I told him that if he could really make wishes come true, he could start by sucking my tits. “Merry Christmas, then,” he sniggered and he began sucking and licking at my nipples for all he was worth! And the more he sucked, the wetter I got.

I looked down and noted with satisfaction that a large tentpole had formed in the front of

dear old Santa's trousers, so I reached down and began to rub it through the material.

I think I was loving this even more than he was. Undoing his zip, I pulled out his big cock, and, hopping off his lap and dropping to my knees, I began licking and sucking his huge dick with my tongue while Santa leaned back against the wall.

Just as he was about to cum, I looked up and asked cheekily whether "Santa's little helper" was doing a good job. Jake nodded his head, practically choking on his false moustache and beard.

I rose and hiked up my skirt and slipped off

my panties and tights. Sitting on the edge of the table with my legs held wide open, exposing my wet pussy, I told him to get over there and fuck me.

Still a little breathless, Jake stuck his big prick deep inside me. I thought I was going to come from that one initial thrust, and then my pussy gripped and clenched as he sawed his cock in and out of my hot wet cunt. It felt so good as my bum cheeks banged up and down on the table top and Santa hammered away at my pussy. He certainly put one hundred per cent into it, slamming his cock deep inside me until I felt myself stiffen as a gush of pussy juice rushed to my inflamed cunt and I came nice and hard.

This was definitely the start of one of the best Christmases ever, and as my pussy stopped pulsating from the hard fuck I'd just

received, we kissed deeply, the hairs from his thick white beard tickling my nose and chin and making me feel more naughty and worked up than ever.

Wrapping my legs around his waist, I held on tight while he pounded my cunt with increasingly fast piston-like strokes until I found myself coming over and over again, one orgasm mixing with the next until it all seemed to be one long drawn out climax.

Jake held me to him as my pussy spasmed intensely, trying to milk his big cock. But Santa was not going to cum until he was ready, and asking me if I had been a good girl this year, he waited for me to answer "yes" before finally emptying his warm sticky cum deep in my pussy, groaning, "Ho, ho, ho!"

Dani, Peckham.

Natalia Starr, really is the icing on the cake, or rather she's invited me over to test her baking skills and currently has her fingers in a bowl icing drizzle.

"The creamy consistency reminds me of something, but I'm not sure what exactly...it will come to me in a minute."

Fortunately, I was able to give her a clue so that minute was only about 10 seconds.

"Yep you're right, it's like a giant bowl of jizz! Now I'm wondering how many guys it would take to make this volume of spunk? Maybe, I could do a little experiment and find out."

Well, you have a willing test subject right here...

TOTAL RECALL

Scarlett 
CLUB INTERNATIONAL

Dear Total Recall, I remember when I was at school there was a ginger girl, her hair was copper coloured and she had a smattering of light freckles across her face. The other kids teased her, but I was fascinated by her, all through school, but as I grew older, I realised I fancied the knickers off her. And so began my life long love of redheads, which is why I remember Club Vol 32.07 so well, you featured the stunning Scarlett in a sequin dress with white knickers. Which has remained a fantasy of mine, having made a few girlfriends in the past dress up in something similar. So, it would be ball-bustlingly great to see Scarlett in print once more.

T♣AL RECALL

Tell us, Mia, where's your favourite place to have sex?

"Absolutely anywhere. My favourite sex is when my boyfriend just kind of grabs me and kisses me and we end up having sex right there, no matter where we are."

Really? What sort of places?

"In the kitchen, in the bathroom, on the dining room table. We once did it in the

back of the car in the B&Q car park."

Wow, that's really living the high life!

"Yeah, I know, what a classy chick, eh? But I just get so turned on sometimes, all it takes is for my boyfriend to nibble my neck. He knows it drives me wild, and the next thing I'll have my panties around my knees begging him to fuck me."

Sounds like the luckiest guy in the world to us!

Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

my arms, as she pressed her soft body against me. I could feel my cock start to stiffen immediately, but she began to move me away through the airport. Leaning in to me she whispered, "I'm not wearing anything under this coat, and my car is in the underground car park. Are you coming with me or not?"

We rushed to the lifts and headed down. We couldn't keep our hands off each other. The lift was quite crowded – which was lucky otherwise we would probably have fucked there and then! Entering the carpark, she pointed to the far corner where

“I moved her downwards, guiding her arse on to my ready and willing cock.”

EMERGENCY LANDING!

I had been away for nearly a month working on a building project in Dubai. The money was great but it was agony, as it meant I had left my gorgeous girlfriend, Bethany, behind. Our regular phone sex and filthy email exchanges weren't enough. Even the pictures she sent of herself legs wide open and fucking herself with a massive dildo didn't help, they just made me want to get back there more. Sex over any sort of electronic medium can never compare to the real thing, of feeling a pair of tits in your hands, or watching her face as you slide your cock into her wet pussy. So, you could say I was glad to be coming home. Bethany is the sexiest girl I have ever been out with. About 5 foot 5, with just the right amount of curves on her body, and dark straight hair that she wears long over her shoulders. She has a thick dark bush downstairs too – I love the way that she doesn't trim it too much like some girls do, so I can push my face into the thick musky hair and inhale the smell of woman.

I walked down from the plane rapt with anticipation. I knew she would be waiting, and sure enough, as I came through customs, there she was, looking stunning in a long bright coat. I rushed through and took her into

her car was. We scurried over, and Bethany unlocked the doors and climbed into the back seat. Lying on her back, she wrenched open her coat and then her legs, showing me what I had longed to see for weeks. She reached up and began to tug at my trousers, pulling them open and down as I tumbled into the car. We snogged furiously and I ran my hands over her firm tits as I felt her hand move down to my stiff cock and begin to slowly wank me before guiding it gently towards her snatch. I felt the tip nudge against her opening and could feel the heat coming from her before the heavenly feeling began to envelop me. I began to move up and down – pressing my full length into her – feeling the weeks of frustration melt away. But suddenly, and surprisingly, she pulled off me. I tried to move her back but she was determined, and moved me to a sitting position in the car seat.

She turned round and began to straddle me, but with her back to me, grabbing the headrests of the seats in front to steady herself, and began to press her arse invitingly towards my face. She held her cheeks wide apart – I knew what she wanted and I started to stick my tongue deep into her minge, lathering her up. With my fingers, I started to

take the wetness from her cunt and lube up her pouting and ready arsehole, working my finger in there to loosen her up. Once she was all lubed, I moved her downwards and guided her arse on to my ready and willing cock. With my hands on her hips, I started to poke my cock into her arsehole, lifting her up and down as she took my cock deeper and deeper in her back passage. She began to whimper with each thrust as she jerked up and down, her tight hole becoming more and more easy to

“His cock slowly filled up my back passage...”

penetrate, before finally my entire seven inches was injecting her with each thrust. Her moans got louder and louder, and the weeks of waiting got the better of me as I started to come, streaming jets of welcome spunk into her arse. She turned round, and sucked the remaining jizz off my cock, before we realised we were in a pretty public place and had better get out of there! Now that was surely worth the wait!

SPLASH BANG WALLOP!

Since we started seeing each other, my boyfriend Jack hasn't been backward in coming forward about letting me know that he's pretty keen to get his brown wings, but every time he's mentioned it I've just said something like, "Yeah, one day...". To be honest, in the beginning I didn't really fancy the idea

much, but all Jack's pleading, combined with reading your Peaches letters in the Clubs he was always 'accidentally' leaving about convinced me that it was about time I granted his wishes.

To make sure it wasn't a shock to the system, I started experimenting a couple of weeks ago when I was on my own, first using my fingers and then by gently pushing one of my (smaller!) vibes up my bum while I was masturbating. After the initial surprise of the sensation I soon got used to the feeling of something hard buried deep inside my arse, and in fact only the second time with the vibe I found myself really

starting to enjoy it. It was that very day I decided I couldn't wait any longer before trying Jack's lovely cock out for size! Jack generally gets in from work about 6.45, so about half an hour before then I ran myself a bath, poured in a good bit of baby oil, and settled down in it. I couldn't resist playing with my pussy and bum at the thought of what would soon be happening, and when I heard the front door bang I didn't waste any time in calling him upstairs to join me. We quite often bath together, so Jack was happy enough to strip off and join me in the tub, sitting as usual behind me with his legs either side of me and his soon-to-be-stiff cock rubbing against my back and arse. Jack was soon playing with my boobs, getting the nipples even more pert and sensitive than I'd managed, and before long I knew I needed him inside me. To begin with I pushed back and up, and Jack fed his thick pole into my slippery pussy and we settled down to a nice steady fuck. I know he can last for ages like that, so I took my time, grinding down on his prick until I started to feel the first ripples of an impending

orgasm tingling through me. With that I slid off his prick. Eager to get back inside me, Jack started jabbing his cock in my direction but I took hold of it and, half turning so I could see his face, slowly began to impale my arse on it. At first he looked blank, but when it suddenly dawned on him what I was up to he grinned from ear to ear and then kissed me before lying back and closing his eyes in ecstasy. The feeling as his cock slowly filled up my back passage was incredible – way better than the smooth vibe had felt – and once I'd squeezed over his fat helmet I slid carefully down his rigid pole till I was completely full. After resting for a moment to catch my breath I put my elbows on the side of the bath and began to ride him, gasping with pleasure each time his cock filled me. Jack, meanwhile, had reached round and was rubbing my clit, driving even stronger sensations through me which, given that I'd already been pretty close to the edge, soon sent me crashing through an almighty orgasm. As I spasmed I felt my arse contract around his stiff shaft and almost immediately heard Jack groan as jet after jet of his hot spunk gushed into my quivering arse. It seemed to last for ages! It took us a few minutes to get our breaths back before I could tell him that, if he's a good boy, we'll be doing it again sometime. He promised he would be, but to be honest, I don't think I'll be able to wait too long myself!

Brett Rossi's the kind of women who stops traffic, and you definitely don't need to be told why. With the kind of figure that could only have been designed by a committee of extremely horny men, it's a wonder somebody's neck hasn't snapped clean in two whipping round to check out this heavenly body as it walks down the street. But the

lovely Brett seems remarkably unaffected by all this attention. "I suppose I'm just lucky to have been given this body, so why shouldn't I enjoy it? And let others enjoy it too? I like to make men happy, and if they get off on looking at me, then I have no problem with it. In fact quite the opposite." There should be more ladies like you about, Brett.

Katie 
PHOTOS: DDF & Dolly

If we could indulge in a fantasy island for a moment, hmm let's call it Mugumbo's Island. Katie and Dolly could be the Goddesses and keepers of this island haven, with their marvellous melons tempting us poor chaps in. Think of it as a garden of Eden, with the sole purpose of pleasure-seeking and

nuzzling those enormous knockers. This all sounds like a good premise for a novel to me. Kate and Dolly sure thought so...

"I'd love to be the keeper of a horny island," said Katie, "We could be the sirens, luring men in to have our wicked way with!"

Sounds like a cracking idea to me!

What our well-placed moles are telling us this month...

DOWN THE WIRE

Poollocks

Texas State Troopers didn't need their canine friends to help them sniff this one out. 40-year-old Kenneth James Vanlue stands accused of breaking and entering the premises of the Department of Public Safety Driver License Office in Austin, Texas.

Troopers responded to a call out at around 7:30am on the 3rd of April, to find that the front door to the department office had been broken down and the word 'surcharge' had been drawn on the wall using faecal

matter, as well as causing a further \$9,000 worth of damage to vehicles in the parking lot and the destruction of computers and office equipment. At least we know what he will be decorating his cell with!

We're hoping they've missed the 'h' off!

TRAIL OF TEARS!

This guy clearly wasn't looking after his piggy bank properly as he left a trail of coins leading right to his own front door. Michael Sherman, 25, of Vero Beach, Florida, was arrested by the Indian River County Sheriff's Office after investigators noticed coins similar to those reported stolen, leading them straight to Sherman's home. A thorough search of the property, also led to the discovery of firearms and a computer belonging to the victim. Subsequently Sherman was charged with armed burglary due to the firearms. Divvy.

Could this be the way to the Emerald City?

POW!

There wasn't a film crew in sight as a foot soldier for the Galactic Empire got well and truly lamped (shame), but please, don't upset a Ghostbuster – they're the good geeky guys!

31 year-old, Maine man, was tasered by police outside Coast City

Comics' Free Comic Book Day celebrations after allegedly assaulting two costumed participants. According to Cumberland County Sheriff's Office, Barnes punched a Stormtrooper and attempted a chokehold while yelling obscenities at fellow revellers, as well as throwing a Ghostbuster to the ground. There, there, we're sure there are enough comic books to go round.

It was the ectoplasm!

Hi Bexie. Now tell us, what do you prefer, sucking cock or having your pussy licked?

"Oh, that's a good one. Actually, you'll probably think I'm weird, but I have to go with sucking cock. I fucking love sucking dick, it turns me on so much. For me, the biggest thrill comes from pleasuring someone else. I love being down on my knees with a big cock in my mouth, -licking it and sucking it, and looking up at the guy's face and seeing how much he's enjoying it."

You love having a cock in your mouth? You couldn't have a word with my missus, could you?

"Oh my god, I can't understand girls who don't give blow-jobs. It really is my favourite thing. All that hot cum running down my throat."

Sounds like heaven from our point of view!

POOLSIDE PUSSY PLAY

I'm enjoying my last few days off in Singapore after competing in an annual sports event out here. As a semi-professional swimmer I spend most of my spare time travelling the world to compete in various tournaments. But

this time it could be said that not only did I beat some of the competition, I managed to fuck it too! I first spoke to Tina at the closing party on Saturday afternoon. I'd seen her around during the competition, but as we were in rival teams we'd never really made the effort to speak to each other. She was a bit pissed and began chit chatting to me. I was quite surprised

we had so much in common. We really got on well and after I made some throwaway comment about how impressed I was with the hotel, she told me her suite up on the 60th floor was even more glamorous and luxurious. I was curious to see for myself, so I innocently followed her to her suite, which was amazing! We talked about all sorts of girly stuff, comparing notes on how we keep fit. Tina even moaned about how she gets fed up with always having to have perfectly shaved legs and for some reason I ended up telling her that even my pussy's always completely hair free. She didn't believe me, so I whipped up my skirt, pulled down my knickers and flashed my flesh.

"I can't begin to imagine what that feels like," she said. "Well just touch it and see for yourself," I replied. I'd never been with a girl, so showing her my pussy seemed more playful and innocent than sexual... until she touched it! Her fingers brushed the clean-shaven treasure between my thighs and my pulse instantly raced. I experienced a world of new sensations from this one girl's simple touch. She inspected my moistening pussy and I realised I'd never been sexually aroused by a woman before.

Throughout the competition I'd seen Tina wearing skin-tight swimsuits, so I knew that underneath her clothes she was wonderfully firm and toned. Taking the initiative, I carefully undressed her. It felt raunchy and so right, so natural. Before my hands touched her smooth skin I wanted my lips to kiss her first. I worked my way around her body, concentrating my mouth on areas that got the loudest vocal response from her. Pushed up against the thick glass window, with the incredible view of the city surrounding us, I sucked on her tan areolas and erect nipples, imagining the pure buzz she was getting, almost frightened when she looked at how high she was, but not prepared to move away from my mouth for anything.

We touched and teased through various states of undress until we were both naked on her bed. I caught a glimpse of our reflections in the wall of mirrored wardrobes running along the side of the room. She looked gorgeous, and with my toned body next to hers we made the perfect match! I've never spent so much time just sensually touching someone. Hour after hour we licked and stroked, never even penetrating each

other's pussies. Tina kept talking dirty to me. She had the most vivid erotic imagination; tales of foul filth spilt from our lips as our cunts creamed and churned out juices. She lightly fingered my arsehole using my own wetness as nature's best lubricant. Her fingers found my ears and my mouth too, but never once entered my forbidden lovehole. Sensing my pressing need for something big, rhythmic and thumping filling my pussy, she leapt from the bed.

"Between you and I, I always carry a cock around with me, but it's something much more versatile and reliable than any boyfriend," Tina announced. She produced a pink, rubbery dildo, which had a suction pad at the end of the balls. She licked the pad, stuck it onto the mirrored wardrobe door at hip height and started giving the thing head (I can guarantee you, any guy would have been envious of that thing). She guided the rigid cock into her mouth, carefully taking it all down. Her cheeks drew in as she sucked and feasted on the thing. She treated it like it was the most precious item she'd ever touched. I could see the action from every angle, whether real or reflection. Her rounded butt ground to an invisible rhythm as she filled her rosy cheeks with the rubber delight. My knickers are wet even now as I picture her beautiful face wrapped around that cock. Tina backed off and quickly indicated to me that it was my turn.

"But don't suck, please fuck," she said. Initially it felt quite odd, seeing myself up against the mirror rubbing the cock around my clit and lips. Getting the confidence to mount it, I grabbed onto the edges of the mirrored door to steady myself and eased

“He dived between my thighs and began to suck my cunt like a starving dog.”

would do to us if they caught us. For ease of view we moved onto the poolside lounge, Tina and I now firmly entwined in an orgasm-inducing sixty nine. We hugged each other's bodies, heads in between legs and tongues inside pussies. We came together, but my shaved cunt carried on climaxing as she lapped up each spasm like it was the first. When we were through and we finally strolled past the security guards they gave us the biggest knowing smiles ever! We just giggled...

Looking back I realise I was very naïve right from the start. Tina had been subtly seducing me and engineering everything to get me into her bed. And I just hope I never have to compete against her in the future, because I certainly wouldn't be concentrating on the race!

I'm 22 and my boyfriend John, like many

myself back and forth. It felt smooth and wet and amazing. It almost looked like I was fucking myself with a big strap-on.

Parting my butt cheeks, Tina was behind me licking away at my arsehole. As I fucked myself the lips of my clean shaven cunt came into contact with the mirror – the cold so different to Tina's warm tongue. She soon moved upwards, fondling my tits and rubbing her hair-covered clit against my arse cheeks. Before I could let rip and come, she pulled me off, telling me it was time for a change. She put on a high-cut yellow bikini, lent me a skimpy pink swimsuit and told me her plan:

"I've always wanted to use a swimming pool for something much more fun than training or competing," she explained. "So you and I are going down to the hotel pool." With the dildo safely wrapped up in her towel we headed off.

As we were the only people there we messed around in the sauna and Jacuzzi for a bit before diving into the pool. I noticed Tina's nipples stand to attention once we were in the cooler temperature of the pool. My pussy seemed to stir in response, so the dildo was promptly unravelled from the towel. I sat on the side of the pool, my feet dangling

as Tina worked the dildo into my cunt. We noticed the CCTV cameras, but decided that so long as no other team members caught us, we couldn't care less if the hotel security staff got off on watching us getting pleased.

Tina played up to the cameras, cooking up rude stories about what the security guards

other men, has always secretly fantasised about me fucking other guys. Recently he plucked up the courage to share these fantasies with me, admitting just how often he had imagined me getting laid by someone else — and I have to say I took to his new suggestion instantly! I immediately put myself in singles bars to prey on hot cock and now

“My sloppy seconds slut-hole milked him dry...”

my boyfriend gets really excited listening to me describe my affairs with other men! Johnny was one guy in particular who took a starring role. The three of us had just recently met through mutual friends and I had to admit he was pretty buff. Tall, well-dressed, blond and brown-eyed, I knew he'd be a worthwhile pleasure pursuit. Anyway, my boyfriend had a business trip and left me home alone for several days. Before he went he stuck a note into an issue of *Club*, highlighting a letter about a woman who fucked around when her husband was away. The thing was, in absolutely every instance she would tell her husband about her flings in great detail on his return. Clearly my pervy boyfriend wanted me to do the same. So now I had a license to go out and get guilt-free, no hassle, no holds barred fucks! No shame, as long as I told my boyfriend everything. Whilst he was away I more than toyed with the idea, and though we talked on the phone every night I never mentioned the note. I knew this would drive

him crazy and tease his perverted little mind! Even when he came home I kept quiet.

As we got ready for bed that night he was understandably hot as we hadn't made love all week. I knew the score, so I came to bed in a sexy nightie and black, slingback shoes, loud, bright make-up designed to make me look like a cheap tart, red lipstick and thick, dark eyelashes. I began my slow seduction by tying his hands and feet to the bedposts. When he was finally restrained I was ready to tell.

“That note you left really inspired me, because I had Johnny over and fucked his cute little arse off,” I exclaimed. I tormented John with the whole story, from beginning to end. I told him how our sweet, quiet new friend was a more than willing partner. He had fucked me twice before carrying me upstairs for a night-long session of adulterous debauchery – in our very own bed! John got so excited as I told him all about it that he came all over himself without even being touched!

Having shared all the intimate

Johnny moments, I untied John and challenged him to screw me even better than Johnny had. Well, he dived between my thighs and began to suck my cunt like a starving dog. I came over and over again and soon I was on my back with a cock pumping my well-used cunt. My sloppy seconds slut-hole milked him dry. When we finished taking advantage of each other, I told him I couldn't wait to try other men as well. I had really enjoyed being stretched by Johnny's bigger dick. I still can't quite grasp the fact that it's alright for me to 'cheat'... but we've now opened this sexy new side of our relationship and I love it! I want to try longer cocks, thicker cocks... every type of cock. And after every encounter I adore teasing John with stories of my conquests. It inevitably ends up in him fucking me long and hard. One new trick I now have up my sleeve is the idea to handcuff and gag him and leave him sitting in our walk-in closet. He can then watch me dress up

to go out, before coming home with some gorgeous young stud. John will then be forced to witness everything, but won't be able to do anything about it, let alone relieve himself of his sackloads of hot spunk. That promises to be an even greater treat than hearing about my adventures after the fact. In fact, I think I'll arrange something raunchy for tomorrow night.

Perhaps I could pick up a horny couple and bring them both back for threesome sex. I'd love to lift up another girl's dress and slowly peel down her little white panties in front of her wanking husband. She would wet my face as I bury my tongue into her hairy snatch, all the while knowing my poor boyfriend would be rock hard and hidden in the closet. I would move over to her husband and plant my slutty mouth over his huge cock. I would tell him not to come in my mouth as it has always been a huge fantasy of mine to suck another man's spunk out of a girl's pussy. Right on cue I'd pull his wife's cunt down onto his loaded penis. As she whimpered and bounced on his lap, I'd snog the hell out of her pretty face. When her hubby started firing his boiling sperm I'd wait until both their orgasms subsided, she'd dismount and that's when this cat would get her cream!

I'd then ask her husband to go downstairs and find a straw so I could slurp every drop of his come from his freshly fucked whore of a

wife! While I'd insert the straw into her spread-eagled crotch, she would beg her partner to fuck my cute little ass off! He'd shag me for forty five minutes while I'd finish off cleaning her honeybox, until finally he would empty another gift of spunk.

We'd then get dressed and I'd see them out. I'd then go back upstairs, let my poor, frustrated boyfriend out of the closet and swallow his pent-up sperm like the slut I am. I'd have the biggest orgasm of all time, knowing I could do such dirty and disgusting things. If any of our friends or family knew exactly what we were up to they would definitely disown us! So look out guys and girls... kinky couple alert!

O kay then, Scarlett, let's get straight to it, this being your first time in Club and all. What's the best way to make you cum?

Push a nice big cock into my pussy and then fuck me slowly for ages, while kissing and sucking my nipples. That's guaranteed to make me cum and cum. I'm lucky because I can have multiple

orgasms, which scares some of the fellas I've been with.

Why on earth do they get scared?

Because my whole body starts shaking and I start yelling out really loudly! I remember one guy I slept with. I was bouncing up and down on his dick, and it kind of came over me in a rush. The poor guy thought I was having a heart attack!

TINA!

Have'a Hughes!

Get stuck in!

With her perfect, palm-sized boobs and firm body, Lana's more than enough to give any male in her vicinity a rising temperature – not to mention cock! Life in her playground Newcastle must be a nightmare for her, dodging horny guys throwing themselves into her

path! "To be honest, I don't always dress like this, so a lot of the time I don't attract too much attention. Sometimes, though, when I'm out with me mates and I'm all dressed up, I get more than my fair share of attention. Still, I don't mind fellas admiring my body from time to time!" Erm, just as well, love!
